

ADDE General Assembly - Switzerland 2017

Friday - Sunday 05th-07th May 2017, 2 nights

Kaiserstuhl at Lake Lungern (Lucerne Area)

Mountains, lakes and pleasure are key elements to a sense of well-being. The mountains on our doorstep silently invite you to enjoy a hike, or a walk and pure relaxation amongst untouched natural settings. With lake Lungern within walking distance, a unique and idyllic scenery awaits you, and is readily available for outdoor activities.

The Hotel Kaiserstuhl – where we will stay and meet – is situated at the shores of lake Lungern. 30 Minutes by car or 40 Minutes by train from Lucerne railway station. This Hotel was bought and renovated by Ueli Breitschmid 2015 and is operated by SinnvollGastro and is one of the best-running places in the area.
